1. Enter the **Case Number** and then **click Confirm Case**.
2. The **case name** will show in the **Case Summary field**. If this is the correct case, continue with the next steps.
3. You may also send an email "notification" that your filing has been made to another party or person; just add the recipients' email addresses to the blank field entitled **Email Copies To**. If you enter multiple email addresses simply separate them with a comma (i.e. jattorney@legalstuff.com, glawyer@lawyering.com).

Important note: even when email notifications are sent to other parties or persons, it is still the filing attorney's responsibility to make sure opposing counsel receives copies of their filing when necessary.

4. Next, you'll need to enter information about the attorney who is authorizing this filing. If you are registered as an attorney, this information will default to the information submitted during the registration process. If you are registered as any other role, you will be required to enter the attorney's **Bar Number**, **Bar State**, and **Email Address** that is authorizing the filing.
5. Click the **Browse** button to the right of the **Select Document field**. By doing so, you may browse your local PC to find and select the electronic file (i.e. Word Document, PDF document, Excel Document, etc ...) that makes up your filing. **Double click** on that document, once found, to add it to the filing.
6. Select the **Filing Type** of the document from the **drop-down list**.
7. Enter the **Document Title**. This would typically be the title that appears to the right of the case caption on the actual document.
8. Finally, click on the **Upload Document button**. Upon doing so, you'll notice that the document that you uploaded now appear in the **window on the right-hand side of the screen** (pictured on next page).

eFiling – Things You Need to Know

Here is a list of things you NEED TO KNOW about eFiling with the Clerk of the Superior Court in Maricopa County.

- Be sure that the Clerk of the Court has an accurate record of the “Primary Attorney” on your case. You can view case information by looking the case up in the iCIS application, or online by going to the Case History web site at: <http://www.superiorcourt.maricopa.gov/Docket/>
- Please review the eFiling Guidelines established by Administrative Order 2007-140, available at this web address: <https://efiling.clerkofcourt.maricopa.gov/eFilingGuidelines>
- Initial complaints, service documents, or answers may not be eFiled. Only subsequent documents on in eligible eFiling cases may be eFiled (i.e. Notices, Motions, Responses, Replies, etc...)
- eFile only one “Main” document per filing ID transaction. The first document in each Filing ID is the “Main” document and will receive the “FILED” stamp (if accepted) and determines how the document will be recorded on the Court’s docket.
- Submit exhibits or other documents you want attached (or “stapled”) to the main document as a supporting document within the same Filing ID. Supporting documents will not have a “FILED” stamp and do not generate a separate record in the Court’s docket.
- Submit Proposed Orders under the same filing ID as their respective motion. It is highly encouraged that Proposed Orders be submitted in an editable format. Microsoft Word is the most desirable.
- You do not need to provide the judicial division a copy of the filing unless specifically instructed by that division. The eFiling system will automatically route a copy of the filing to assigned judicial division once your filing has been accepted (filed).
- eFilings will not be printed and placed in the hard copy case file. Therefore, it is important to know that when viewing the hard copy case file it is possible eFilings exist. Please consult the electronic court record, via the available computer kiosks at the Court’s Customer Service Center (601 W. Jackson Ave.) to make sure you have seen all filings on the case.
- When viewing the docket using the computer kiosks at the Court’s Customer Service Center, documents that had been eFiled, will be marked with a paper document icon with a red “E” on it. This is an indication to the user that the document will not exist as paper in the hard copy case file.
- Free training on how to eFile using the Clerk of Court eFiling website is available. Please use the following web address to access upcoming training dates, time, location, and free parking: <http://www.clerkofcourt.maricopa.gov/news/CV%20E-File%20Dates-Map.pdf>
